17 June 2026

Ms. Krina Patel
Human Resources Executive
E2M Solutions Pvt. Ltd.
Ahmedabad, Gujarat, India

Subject: Application for the Position of AI/ML Fresher Developer

Dear Ms. Patel,

I am writing to apply for the position of AI/ML Fresher Developer at E2M Solutions Pvt. Ltd. I am interested in this role because your company works on practical digital solutions where artificial intelligence, automation, and data-driven decision-making can create measurable business value.

I have completed my B.Sc. in Computer Science and have built hands-on projects using Python, Pandas, NumPy, Scikit-learn, XGBoost, TensorFlow, FastAPI, Streamlit, Docker, Render, LangChain, and Gemini API. My project experience includes customer churn prediction, AQI monitoring, credit card fraud detection, SMS spam classification, and AI chatbot development. These projects helped me understand data preprocessing, model training, API deployment, and user-facing application development.

The reason I am a suitable candidate is that I can learn quickly, write clean Python code, and connect ML models with simple production-ready APIs and dashboards. I am especially interested in working with NLP, RAG-based chatbots, vector databases, and real-world AI automation workflows.

I would be grateful for the opportunity to discuss how my technical skills, project experience, and strong interest in AI/ML can contribute to your team. Thank you for considering my application.

Sincerely,
Saurav Patel

2. Portfolio

Saurav Patel

AI/ML Fresher Developer

Ahmedabad, Gujarat, India

Phone: +91 6006484258

Professional Portfolio Summary

I am an AI/ML fresher developer with practical experience in Python, machine learning model building, FastAPI, Streamlit, Docker deployment, chatbot development, and API integration. My objective is to work on real-world AI applications where data science, machine learning, and generative AI can solve business problems efficiently.

Technical Skills

- Programming and data handling: Python, SQL, NumPy, Pandas, Matplotlib, Seaborn
- Machine learning: Scikit-learn, XGBoost, Random Forest, Logistic Regression, model evaluation, feature engineering
- Deep learning and NLP: TensorFlow/Keras, RNN, LSTM, GRU, TF-IDF, sentiment analysis, chatbot workflows
- Deployment and tools: FastAPI, Streamlit, Docker, Render, Git, GitHub, Postman, VS Code
- Generative AI: LangChain, Gemini API, RAG basics, embeddings, vector database concepts

Selected Projects

- Retail Brain AI - Customer churn prediction system with XGBoost, FastAPI prediction endpoint, Streamlit UI, Docker setup, and Render deployment.
- Real-Time AQI Monitoring - Machine learning regression project using pollutant inputs such as CO, Ozone, NO2, and PM2.5 to predict AQI.
- Credit Card Fraud Detection - Imbalanced classification project using SMOTE, class weights, threshold tuning, and XGBoost.
- SMS Spam Classifier - NLP project using text preprocessing, TF-IDF vectorization, and supervised classification.
- Course Assistant Chatbot - LangChain based chatbot connected with tools and API calls for retrieving course information.

Career Interest

My reason for building this portfolio is to show that I can move beyond theory and implement complete AI/ML workflows, from data cleaning and model training to API deployment and user interface development.

Sincerely,

Saurav Patel

3. Recommendation Letter / Letter of Appreciation

TOPS Technologies
C.G. Road, Ahmedabad, Gujarat, India
Email: support@tops-int.com
Phone: +91 9724004242

17 June 2026

To Whom It May Concern,

Subject: Letter of Appreciation for Saurav Patel

I am pleased to write this letter of appreciation for Mr. Saurav Patel, who has shown sincere interest, discipline, and consistent learning attitude during his Data Science and AI/ML training activities at TOPS Technologies, Ahmedabad.

Saurav actively worked on practical assignments involving Python, data analysis, machine learning models, model evaluation, and deployment concepts. He demonstrated strong curiosity while learning topics such as classification, regression, NLP, deep learning, FastAPI, Streamlit, Docker, and generative AI workflows.

The main reason for appreciating Saurav is his ability to improve through practice. He asks relevant questions, accepts feedback positively, and tries to convert learning into projects such as AQI prediction, churn prediction, fraud detection, and chatbot development. His effort reflects the qualities expected from an entry-level AI/ML professional.

I believe Saurav has the potential to perform well in an internship or fresher role where he can continue improving his technical knowledge and problem-solving skills. I wish him success in his future career.

Sincerely,
Nisha Shah
Senior Faculty - Data Science
TOPS Technologies, Ahmedabad

4. Experience Certificate / Employment Verification Letter

TechVista Analytics Pvt. Ltd.
Prahlaḁ Nagar, Ahmedabad, Gujarat, India
Email: hr@techvistaanalytics.in
Phone: +91 79400 11223

17 June 2026

To Whom It May Concern,

Subject: Experience Certificate and Employment Verification for Saurav Patel

This is to certify that Mr. Saurav Patel worked with TechVista Analytics Pvt. Ltd. as a Data Science Trainee Intern from 1 May 2026 to 31 May 2026.

During this period, he assisted the analytics team in data cleaning, exploratory data analysis, feature engineering, model training, API testing, and documentation for a customer churn prediction workflow. He used Python, Pandas, Scikit-learn, XGBoost, FastAPI, and Streamlit for project-related tasks.

His conduct during the training period was professional, punctual, and sincere. He completed assigned tasks under guidance and showed interest in understanding how machine learning models are deployed for business use cases.

This certificate is issued at his request for academic submission, career records, and future employment reference. We wish him continued success in his professional journey.

Sincerely,
Ankit Desai
Human Resources Manager
TechVista Analytics Pvt. Ltd., Ahmedabad

17 June 2026

Mr. Harsh Shah
Talent Acquisition Specialist
AddWeb Solution Pvt. Ltd.
Ahmedabad, Gujarat, India

Subject: Expression of Interest for AI Engineer Fresher Role

Dear Mr. Shah,

I am writing to express my interest in an AI Engineer Fresher role at AddWeb Solution Pvt. Ltd. I am looking for an opportunity where I can apply my knowledge of Python, machine learning, NLP, APIs, and generative AI in real business projects.

My reason for showing interest in AddWeb Solution is its strong focus on technology services, web solutions, and digital transformation. I believe an AI fresher role in such an environment would help me learn from experienced developers while contributing to automation, chatbot, and ML-based product features.

I have worked on academic and self-learning projects such as customer churn prediction, AQI prediction, credit card fraud detection, spam SMS classification, and LangChain chatbot development. These projects helped me gain practical exposure to data preprocessing, model evaluation, FastAPI endpoints, Streamlit dashboards, and deployment basics.

I would appreciate the opportunity to be considered for any suitable AI/ML fresher or internship opening in your organization. I am available for an interview and can join immediately.

Sincerely,
Saurav Patel

6. Follow-up Letter after Interview

Saurav Patel

17 June 2026

Ms. Priya Mehta
HR Executive
CrossShores Infotech
Ahmedabad, Gujarat, India

Subject: Follow-up after AI/ML Engineer Intern Interview

Dear Ms. Mehta,

Thank you for speaking with me on 16 June 2026 regarding the AI/ML Engineer Intern position at CrossShores Infotech. I appreciate the time you and the technical team spent discussing the role, project expectations, and required skills.

I am writing this follow-up letter because I remain highly interested in the opportunity. The discussion about Python-based ML model development, data preprocessing, model deployment, and AI/ML project collaboration matched my current skills and learning goals.

After the interview, I am even more confident that my experience with Python, Scikit-learn, XGBoost, TensorFlow/Keras, FastAPI, Streamlit, and chatbot development can help me contribute effectively as an intern. I also understand the importance of improving my depth in RAG, embeddings, vector databases, and production-level model monitoring.

Thank you again for considering my profile. I look forward to your feedback and would be happy to provide any additional information required for the next step.

Sincerely,
Saurav Patel

7. Acceptance Letter after Receiving a Job Offer

Saurav Patel
Ahmedabad, Gujarat, India

Email: patelSaurav202004@gmail.com

17 June 2026

Ms. Krina Patel
Human Resources Executive
E2M Solutions Pvt. Ltd.
Ahmedabad, Gujarat, India

Subject: Acceptance of Offer for Associate AI Engineer Position

Dear Ms. Patel,

Thank you for offering me the position of Associate AI Engineer at E2M Solutions Pvt. Ltd. I am pleased to formally accept the offer and confirm my joining date as 29 June 2026.

I am accepting this offer because the role strongly aligns with my career goal of becoming a skilled AI/ML professional. The opportunity to work on Python, machine learning, NLP, generative AI, and practical client-focused solutions is exactly the type of environment where I want to begin my professional journey.

I understand the responsibilities discussed during the selection process and will complete all required joining formalities on time. I will carry my academic documents, identity proof, resume, and any other documents requested by the HR department.

Thank you once again for this opportunity. I look forward to joining the team and contributing with dedication, discipline, and a strong learning attitude.

Sincerely,
Saurav Patel

8. Declination Letter after Receiving a Job Offer

Saurav Patel
Ahmedabad, Gujarat, India
Phone: +91 6006484258
Email: patelSaurav202004@gmail.com

17 June 2026

Mr. Kunal Trivedi
Placement Coordinator
Sparks To Ideas
Ahmedabad, Gujarat, India

Subject: Declining the Offer for Data Science - ML Internship

Dear Mr. Trivedi,

Thank you very much for offering me the Data Science - ML Internship opportunity at Sparks To Ideas. I sincerely appreciate the time, guidance, and confidence shown by your team during the selection process.

After careful consideration, I have decided to respectfully decline the offer. The reason for my decision is that I have accepted another AI/ML opportunity that is more closely aligned with my immediate career goal, preferred project exposure, and joining timeline.

This was not an easy decision because I respect the learning environment and training support provided by Sparks To Ideas. I am grateful for the opportunity and hope to stay connected for future possibilities.

Thank you again for your understanding. I wish your team continued success.

Sincerely,
Saurav Patel

9. Leave-of-Absence Request Letter

Saurav Patel
AI/ML Trainee
TechNova Solutions Pvt. Ltd.
Ahmedabad, Gujarat, India
Email: patelSaurav202004@gmail.com

17 June 2026

Mr. Amit Verma
Project Manager
TechNova Solutions Pvt. Ltd.
Ahmedabad, Gujarat, India

Subject: Request for Leave of Absence from 24 June 2026 to 26 June 2026

Dear Mr. Verma,

I am writing to request leave of absence for three working days from 24 June 2026 to 26 June 2026. The reason for this request is that my mother has a scheduled medical consultation and follow-up care during these dates, and my presence is required to assist her.

Before going on leave, I will complete the pending data preprocessing task assigned for the churn prediction module and share the updated notebook, model notes, and API testing status with the team. I will also remain reachable by phone for any urgent clarification.

I request you to kindly approve my leave for the mentioned period. I will resume work on 29 June 2026 and will ensure that my responsibilities are handled without affecting the project timeline.

Thank you for your understanding and support.

Sincerely,
Saurav Patel

10. Resignation Letter

Saurav Patel
AI/ML Trainee
TechNova Solutions Pvt. Ltd.
Ahmedabad, Gujarat, India
Email: patelSaurav202004@gmail.com

17 June 2026

Ms. Ritu Sharma
Human Resources Manager
TechNova Solutions Pvt. Ltd.
Ahmedabad, Gujarat, India

Subject: Resignation from the Position of AI/ML Trainee

Dear Ms. Sharma,

Please accept this letter as my formal resignation from the position of AI/ML Trainee at TechNova Solutions Pvt. Ltd. My last working day will be 30 June 2026, in accordance with the notice period discussed with my reporting manager.

The reason for my resignation is that I have accepted a full-time AI/ML fresher opportunity that requires immediate joining and is closely aligned with my long-term career path in machine learning, NLP, and generative AI development.

I am thankful for the guidance, support, and learning opportunities provided during my time with the company. Working on data preprocessing, model testing, API documentation, and team discussions has helped me improve my technical understanding and workplace discipline.

Before my last working day, I will complete the handover of assigned files, project notes, and pending task status to ensure a smooth transition. I appreciate your understanding and wish the organization continued growth and success.

Sincerely,
Saurav Patel
